- 1) Clear the mortgage on their house in Invercargill \$150,000.
- 2) Purchase a purpose built vehicle for them as a family.
- 3) Establish a Trust Fund for the children's education.
- 4) In conjunction with the Wellington Laura Fergusson Trust in approx 18 months build a purpose built home on Trust land for the Thorn Family. (At this time the Invercargill Property would be sold to help fund the building of a new home, a mutually beneficial agreement would be made between the Wellington Laura Fergusson Trust and Thorn Family)
- 5) Finance, Materials and Labour would be sought to complete this project.
